

CLIP 2

OPENING SYSTEM

- Big opening for stable and efficient pouring
- Reduced height for efficient stacking
- Applicable on a wide range of carton sizes

With the Clip 2 opening system, the package:

- Opens simply by lifting up the internal lever.
- Recloses for improved product preservation.
- Acquires strong shelf impact, full range of available colours.

CLIP 2

OPENING SYSTEM

The MT80 cap applicator applies the **Clip 2** opening system to ready sealed and filled aseptic SA cartons. The application process is made in a single station, the applicator is independent from the filling machine.
